

HR Panel Discussion: Changing Role of HR in the age of Digital Transformation and Fintech

On **24th June 2023**, Symbiosis School of Banking & Finance was delighted to have the presence of our prestigious panellists who brought wealth of knowledge and gave the students to explore their insights, challenges, and best HR practices. The changing role of HR in the age of digital transformation and fintech is highly relevant in the corporate world. Technology is reshaping industries, and HR professionals must adapt to remain effective. Embracing technological advancements allows HR to streamline processes, enhance efficiency, and improve the employee experience. We thank our panellists for sharing their immense knowledge and insights, which made the session interactive, also by sharing their real time experiences and further possible case studies about mergers and acquisitions.
